

Carp fishing rules

ÉTANGS DES BAINS – LARGE CARP FISHING

Per 24hrs sessions – upon reservation exclusively

No Kill

Authorizations: Maximum three rods per angler.
One single hook without barb, or flattened-down barb.
Live bait and ground bait, seeds and boilies.
Use of feeder boat permitted.

Obligations: Use of large landing net with fine or rubber mesh.
Wet unhooking blanket INDISPENSABLE.
All fish must be returned unharmed immediately after weighing.

Prohibited: Use of braided line.

It is strictly prohibited to enter the water.

In case of lightning, fishing must be stopped: rods removed of the water and laid flat on the bank.

Fires are prohibited.

Dogs are NOT allowed. Please KEEP QUIET.

Failure of following this regulation, involves immediate expulsion from the property, without any refunding.

Here, we live by the rules of fair-play, respect of the fish, the environment and the cleanliness of the site: please do carry away all your waste and rubbishes.

Anglers must have a private insurance, the owner declines any responsibility in case of accident or theft.

All persons in possession of a fishing ticket acknowledge these regulations.
