

Fly fishing rules

MAIN LAKE OF FREUX – FLY FISHING

The lake is accessible from sunrise to sunset.
Half-days start from sunrise to 1 pm or from 1 pm to sunset.

No Kill

Authorizations: EXCLUSIVELY fly fishing.
Maximum 3 flies, single hook barbless or with crushed barb.
Killing one trout less than 45 cm per ½ day.
From the bank.
With private float-tube.
From a boat (reservation mandatory)

Obligations: Use rubber landing net.
All fish must be returned carefully.
The lake is well overlooked by cameras. A control of your equipment and bags may be enforced by the identified keeper.

Prohibited: Salmon egg imitations are strictly prohibited.

Anglers using float-tube and boats must wear a life jacket.

After unloading float-tubes and electric motors, vehicles must be parked at the parking and not around the lake.

In case of lightning, fishing must be stopped: rods removed of the water and laid flat on the bank. All anglers on the water must regain the banks immediately.

Dogs are NOT allowed. Please KEEP QUIET.

For safety and privacy, keep a minimum distance of 30 meters from other watercrafts.

Failure of following this regulation, involves immediate expulsion from the property, without any refunding.

Here, we live by the rules of fair-play, respect of the fish, the environment and the cleanliness of the site: please put all litter in the bins.

Anglers must have a private insurance, the owner declines any responsibility in case of accident or theft.

All persons, in possession of a fishing ticket, acknowledge these regulations.
